2 June 2005

## **3 actions taken:**

- **Approved:**

1. Analysis Forum
2. Editorial Board
3. University of Sofia group

## **Proposal: analysis forum and software/analysis tools**

**We need: a forum for discussions in which the understanding of the MICE cooling and its measurement is improved.**

**We also need development of tools to perform**

- simulation,**
- reconstruction and identification of particles**
- analysis.**

**2 tasks:**

**software/tools: proposal Malcolm Ellis**

**Analysis forum: proposal Yagmur Torun**

**mandate: one year, renewable.**

**It is suggested that we begin to have Forum Video Conferences every two weeks after collab. meeting.**
