- 10) Since for different reasons we suffer from unpleasant long delays in publishing the proceedings of the workshop, we strongly recommend and ask to participants to strictly respect the DEAD LINE fixed at 31st July 2012.  
The proceedings, edited by F. Giovannelli and G. Mannocchi, will be published by Acta Polytechnica (Czech Republic), a refereed international journal.  
Because the submitted papers will follow a peer-referee process, the DEAD LINE IS INFLEXIBLE.  
You will be informed how and where to send the camera-ready papers.
- 11) Papers corresponding to talks  $\geq$  25 minutes: 6 pages.  
Papers corresponding to talks  $<$  25 minutes: 4 pages.
- 12) The MACRO can be download from the WEB page of workshop.
- 13) EXTREMELY IMPORTANT:  
For the Power Point presentations a PC of the workshop is available.  
All speakers are kindly invited to give a copy of their talk to LOC at least half an hour before the beginning of the respective session.  
It is not forbidden to use speaker's PC, BUT IN THIS CASE the time necessary for changing the computer WILL BE CHARGED TO THE SCHEDULED TIME OF THE TALK.

Thanks for your attention. See you in Vulcano
