

Nanoscale Excitations in Emergent Materials

(NEEM 2013)

The Institute for Plasma Research, Gandhinagar (India)
25-26 November 2013

Topics

- Self-assembly materials
- Nano-particles and nano-structured materials
- Correlated nano-phase materials
- Functional nano-materials
- Nano-materials in environment

Scientific Committee chairpersons

Augusto Marcelli (INFN-LNF, Frascati)
Chidambara Balasubramanian (IPR, Gandhinagar)

Scientific Program Committee

Antonio Bianconi (RICMASS, Roma)
Subroto Mukherjee (IPR, Gandhinagar)
Mukesh Ranjan (IPR, Gandhinagar)
Naurang L. Saini (Università Sapienza, Roma)
Lidia Szpyrkowicz (Embassy of Italy, New Delhi)

Invited contributions

Pushan Ayyub (TIFR, Mumbai)
Giorgio Benedek (Università di Milano-Bicocca)
Roberto De Renzi (Università di Parma)
Giancarlo Della Ventura (Università Roma Tre)
Dinakar Kanjilal, (IUAC, New Delhi)
Luca Malfatti (Università Sassari)
Satish B. Ogale (NCL Pune)
Marina Putti (Università di Genova)
